

## **COVID-19 (2020) – Statement of Cleaning**

As you would expect the key factor this season will be ensuring that the caravan is cleaned and sanitised to the highest standards between guest stays and I'm pleased to advise that we have negotiated for the cleaning company to undertake a full deep clean and sanitisation between new guests arriving, (details of cleaning below). Unfortunately this will mean that we will have to adhere to a strict check in time of 4pm for this season to allow sufficient time between guests for the deep clean.
